Dear Mrs. Manley:

Enclosed find check for \$59.50, which will make up the difference on what I already sent, and pay Phila. Stars dues in full for May. Now you will have to send me a check for same amount to take care of money I paid out to umpires and transportation for that period.

Also here is card on McCrary for this pay period. As to the \$20 he received from Baltimore June 6, get his pay card covering that date, and you will find that Green had him for a three day series, June 4-5-6, and the \$20 covered the three days.

As to the difference with Mitchell, that will have to wait until you see him at the East-West game. I don't understand that myself, and it is rather complicated to settle by mail.

I didn't take care of this sooner, because I expected you at the game last night. Your husband spoke to me about several things, which he has probably advised you about. On basketball, are you looking for a real headache? I will talk about it when I see you personally.

I tried to contact Mitchell about those dates you wanted, but he left Harrisburg and they don't know where he is. I know he is playing in Oil City, Pa. Sunday if you care to try and contact him there, or if you want to wait, he will probably be in touch with me.

Let me know. Regards.

Sincerely,

A handwritten signature in cursive ink that reads "Ed. Gottlieb".
